Another door has opened to expand Catholic radio by June!

Catholic radio has rapidly expanded in the U.S. from only 5 stations in 1996 to 270 in 2014, and soon to be 271! WSPB 89.7 FM, a fulltime station, will completely cover the city of Battle Creek, west to Otsego, north to Hastings, and east to I-69 near Charlotte. It will fill in much of the gap between the Grand Rapids and Kalamazoo stations and cover several well-traveled roads over long distances, ideal for Catholic radio listening!

\$40,000 of the \$110,000 needed has been raised. We hope to raise the remaining \$70,000 by Easter. This is a small price for a radio station with the potential of reaching thousands more with the fullness of the faith. And it may be the only chance for Catholic radio in this part of MI at this price!

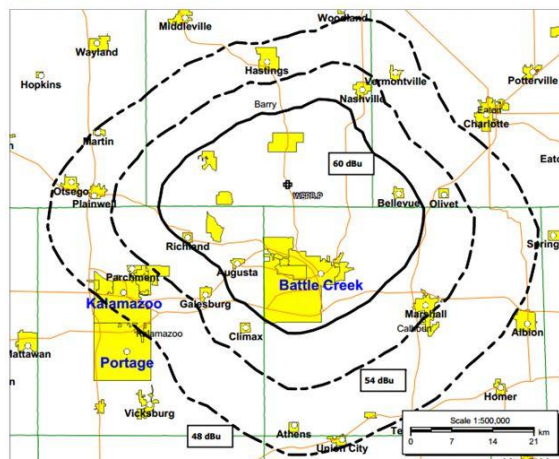

Major gifts of \$3K, \$5K, \$10K or more are needed as well as gifts of any size.

Gifts and pledges are accepted online at www.holyfamilyradio.net or by calling 269-779-7900 (Kalamazoo) or 616-956-1140 (Grand Rapids). Gifts should specify they are for the Battle Creek Expansion.

Whether you live within the coverage area or not, please prayerfully consider this as a Lenten almsgiving opportunity. **Pope Francis reminds us that "Almsgiving shows gratuitousness, because alms are given to someone from whom we do not expect to receive anything in return."** And your gift will have eternal value with each life that is changed through this Catholic radio station.

PLEASE HELP SPREAD THE WORD! And most of all, pray that the Holy Spirit will touch the hearts of those who can help make this happen in a short amount of time.

GO INTO THE WHOLE WORLD

And proclaim the Gospel - Mark 16:15

From our Spiritual Director, Fr. Troy Nevins

Lent affords us the ultimate opportunity for self-evaluation. As Christians, we know that God has given us the gift of His Most Holy Spirit, not to condemn us, but to prompt us to greater levels of conversion, great levels of love.

Through our Lenten prayer, we come to hear more clearly the heartbeat of Christ. Through our Lenten fasting, we come to hunger and thirst for greater union with Christ.

Through our Lenten almsgiving, we come to love deeper, those whom Christ loves.

Lent is a beautiful gift from God. Spread the Word!

Testimonials from Holy Family Radio Listeners

"I was listening to the Doctor is in today and the Doctor spoke about the movie Heaven is for Real and she mentioned that those who have had miscarried would be touched because the little boy in the movie met his sister in heaven. I pray that those who may be considering abortion see this movie and realize that there truly is a life with a soul within them and decide to have their baby. Thank you so much for giving me an alternative and thank you for the work you do."

-- John

"Thank you for all you do. I am on a journey back to the church and you are lifting me up as I go." -- R.L.

"May blessings shower down on Holy Family Radio." -- R.D.K.

"Holy Family Radio has made me more aware of what being Catholic really means. I've enjoyed listening to Living the Catholic Faith with Deacon Jim on 1140 am Grand Rapids." -- Alex
