## From our Spiritual Director, Fr. Troy Nevins

What a tremendous blessing it was celebrating the Commemoration of All the Faithful Departed (All Souls) during the weekend liturgies this year!

Remembering and praying for those who have gone before, reminded me of Paul's words to the Corinthians where he wrote; "According to the grace of God given to me, like a wise master builder I laid a foundation, and another is building upon it (1 Corinthians 3:10)."

I am so grateful for the gift of faith and so in awe of the mystery that allowed the faith to spread all the way from Jerusalem to Grand Rapids, MI, passing from generation to generation, over 2000 years to us! ... "How great are your works, LORD! How profound your designs (Psalm 92:6)."

Utilizing any and all means of communication available, the faith was proclaimed, from one-on-one contact, to reading parchment and scrolls, to beautiful stained glass windows right down to listening to Catholic radio! Thank you for your support and don't forget to --

Spread the Word!

*Fr. Troy Nevins*

**Testimonial**

*Thank you to ALL who helped spread the word about Holy Family Radio! This e-mail from one listener to her friends brought in a couple thousand more dollars after the pledge drive. Let your contacts know how important Catholic radio is and encourage them to support it, too.*

"During the Exodus from Egypt, faith had to be exercised that food would rain down daily for the Israelites, without storing up extra. 'It rained down from heaven', from God's very hand, and almost to their very hand...His grace laid at the doorway of every sinner...and if one was to perish for lack of 'food', he was without excuse, because daily bread was in sight and within reach for everyone. God teaches us that we cannot lay up stocks of Grace for 'later'. When the Israelites tried to collect more than they could eat in a day, the food would become corrupt. We need to go to Christ daily, without fail. It just has to be daily! Catholic radio feeds us every day with the goodness of God. I think perhaps my whole life I was lying up stocks of Grace (for later), it truly does not work. I am incredibly thankful for Catholic radio and for the seed of an idea that has been planted and nourished here in a Grand Rapids. I am honored to give, and I pray it is multiplied and blessed....through YOU, (as the Fall pledge drive has come up short) 'TAG, YOU'RE IT'...please give! (Or give again!)" – Joni, Grand Rapids

In Theaters this Valentine's Day

When did God's plan for romance and marriage become **old fashioned**?

This Valentine's Day, enjoy **old fashioned** . a new movie that inspires a genuine hunger for Godly romance and healthy relationships. **old fashioned** is a faith-based love story about Clay, a former frat boy whose relationship with Christ impacts the way he looks at life and relationships; and Amber, a free-spirited woman who has felt the pain of dating relationships. Together, they attempt the impossible: an old fashioned courtship in contemporary America!

Rik Swartzwelder, the writer, director and lead star of the movie, was interviewed by Deacon Jim Thorndill. The interview will air in late January prior to the release of the movie on St. Valentine's Day.
