From our Spiritual Director, Fr. Troy Nevins

Funny... whenever I wonder if time can fly any faster, if life can get any more complicated, if I can get any busier ...it does!

As a parish priest (not unlike yourselves, I'm sure) it's easy to get swept up in the *stuff* of life, even to the point of occasionally forgetting the very purpose of life. It's all the more difficult when that *stuff* is *good* stuff. It is at these very moments that a good friend is indispensable, the kind of friend that says what NEEDS to be said, not just what is pleasing to hear. Such friends are not easy to come by. Our Holy Father, Pope Francis, is such a friend. In his Apostolic Exhortation, Evangelii Gaudium (on the proclamation of the Gospel in today's world), he writes, "I invite all Christians, everywhere, at this very moment, to a renewed personal encounter with Jesus Christ, or at least an openness to letting him encounter them; I ask all of you to do this unfailingly each day." A renewed personal encounter with Jesus Christ...here lies the purpose of Holy Family Radio!

Spread the Word!

Blessing of Holy Family Radio's Third Station, 89.7 FM Battle Creek!

On Wednesday, August 27, the Feast of St. Monica, WSPB 89.7 FM was blessed by Father John Fleckenstein, pastor at St. Philip Church, Battle Creek. It is a great blessing to this whole community to have Catholic radio broadcasting the knowledge and truth of the Catholic faith.

Volunteer Spotlight

Name: Eliot Westdorp

Home Parish: St. Mary Church, Lowell

What do you do for Holy Family Radio?

I volunteer my time doing whatever I can for the station whether that be using my voice for simple announcements, writing spots, answering phones during the Spanish hour of the pledge drive or everyday small tasks that need to be accomplished in order for the station to run smoothly.

Why do you volunteer?

I think it's important to do what I can for my faith. I love the idea of the Catholic faith being spread through a different form of media other than TV. It's such a convenient way to get the word out and all anyone has to do is turn their dial.

What do you look forward to in regard to Holy Family Radio? I look forward to one day seeing a Catholic radio bumper sticker on everyone's car. More than that, though, I look forward to the increasing number of people having their lives made better, or dare I say changed, from receiving a new hope and a strengthened or renewed Catholic faith from the programming that can be found on Holy Family Radio.

Holy Family Radio Consecrated to the Immaculate Heart of Mary

Testimonial from Regan LaMothe, an ardent listener

In the last few months I have been blessed with a profound conversion. I had been, at best, lukewarm about my Catholic faith until this past Lent. For reasons I'm still not sure about, I decided to "give up" secular, political radio and listen strictly to Catholic radio for Lent.

Literally, within a few days of listening to a couple of hours of Holy Family Radio each day, I began to understand the beauty and truth of our faith in a way I never had before. The more I listened, the more I craved. I began to develop a prayer life and daily study. I changed the way I approached being a husband and father. Even the way I conduct business has been affected positively. I believe the term they use for folks like me is "revert." But I think it really is more like "convert." I still have much to learn, and a long way to go in the faith, but there is no question that being a true, faithful and dynamic Catholic has become my primary goal in life.

I'm just one of thousands who have been evangelized by Holy Family Radio in West Michigan. In just three years, Holy Family Radio has made a huge impact in both the Grand Rapids and Kalamazoo areas. And now they have expanded even further to the Otsego, Richland, Gull Lake, Battle Creek and Marshall communities and northward towards Hastings and Charlotte.

May you also be blessed by the gift of Catholic radio.
