"A few years ago, we discovered Catholic radio! Wow! The wealth of in-depth knowledge about the Roman Catholic faith that is offered to the listeners has taken our knowledge of the history and practices of the Catholic Church to a deeper level. Listening to Holy Family Radio has enriched our lives and deepened our love for Jesus and His Church. We are thankful to reside in a community so rich in family values, faith and love for Jesus Christ." -- Tony and Kate Soave

Paul & Joyce Bede

Diocese of Kalamazoo Chair Couple

The Bede's have spent their adult lives sharing the Lord Jesus Christ and His Church with others. As members of St. Monica Parish in Kalamazoo, they continue to serve in introducing people to the Catholic Church and in encouraging adult Catholics to enter more deeply into the beauties of the Faith. It is because of their efforts, and others, that Catholic Radio exists in the Diocese of Kalamazoo.

Let Your Light Shine

If Catholic radio has made a difference in your life.

Would you like to help those who are away from the Church **come home** this Easter season or help **one person** discover God's love for them?

Throughout our "Light in the Darkness" Spring Pledge Drive May 5-8, we would like to share many short stories (only 5 minutes in length) of how Catholic radio has made a difference in the lives of you, our listeners. Often the Holy Spirit uses these messages to inspire others and even change the direction of other listeners' lives.

If you would like to share your unique story on-air during the spring pledge drive, please call Lisa Brown by April 17 at toll-free 844-337-2346 for more information. *Thank you!*
